

People from all around the world call Australia home. Connecting across Cultures is a great opportunity for you to reflect and learn how to engage well with those who are different to you.

*Have you ever found yourself in a situation where you didn't understand why someone behaved the way they did? Or they didn't understand why you behaved the way you did? Did you offend them? Are they just shy? What was the appropriate greeting or way of saying thank you in that situation? Why did you have trouble understanding each other?*

Connecting across Cultures is a four week online gathering for people to build respect, understanding and appreciation for one another across their differences, especially cultural. You'll be equipped and empowered to form relationships of mutual respect and understanding with others.

We'll spend time unpacking culture, worldviews, change and compassion and reflect on how they shape our relationships, our faith and our approach to cross-cultural ministry.
